**Baldwin County Education Coalition earns
a 2020 Platinum Seal of Transparency**

Thank you to our sponsors!

Baldwin County Education Coalition just earned a 2020 Platinum Seal by adding information to our Nonprofit Profile on GuideStar. By sharing these metrics, we're helping the sector move beyond simplistic financial ratios to assess nonprofit progress.

We're proud to use GuideStar Platinum to share our full and complete story with the world. To reach the Platinum level, we added extensive information to our Nonprofit Profile: basic contact and organizational information; in-depth financial information; quantitative information about goals, strategies, and progress toward our mission.

Plus, we've provided fresh information to 200+ charitable websites and applications that use GuideStar data, such as AmazonSmile, Facebook and Network for Good.

About GuideStar: In February 2019, GuideStar joined forces with Foundation Center to form Candid, a new 501(c)(3) nonprofit organization. Today, GuideStar is a service of Candid. Every year, millions of nonprofits spend trillions of dollars around the world. Candid finds out where that money comes from, where it goes, and why it matters. Through research, collaboration, and training, Candid connects people who want to change the world to the resources they need to do it. Candid's data tools on nonprofits, foundations, and grants are the most comprehensive in the world. Learn more at candid.org and on Twitter @CandidDotOrg.
