**SUMMERDALE, Ala.** – Pen Air Federal Credit Union donated \$12,424.72 to the Baldwin County Education Coalition from their SHARE IT Program. Pen Air donates 1 cent for every debit card transaction made by account holders in Baldwin County. The Coalition was selected for its work mobilizing resources in support of every Baldwin County public school.

“These funds will support the upcoming Principal’s Academy, the Baldwin Proud Employee of the Month program and other initiatives,” said Terry Burkle, executive director of the Coalition. “We’re very grateful to our friends at Pen Air Federal Credit Union for this very generous donation and all of their support over the years.”

#### **About Baldwin County Education Coalition**

The Baldwin County Education Coalition is an independent, nonprofit, nonpartisan organization of public school advocates. We work collectively through seven local education foundations that serve communities across Baldwin’s 1600+ square miles to mobilize resources (financial, volunteer and in-kind) and support Baldwin County Public Schools. Our strength is in the value we bring to our individual communities and our shared vision for creating world-class schools. For more information, visit [betterbaldwin.com](https://betterbaldwin.com).
