ANNUAL REPORT 2023 - 2024

“Palm Project has allowed us to fulfill the needs of students that would otherwise go without. It has also allowed me to build relationships with students by letting them know they have someone that cares for them and they have a safe place to get what they may need. PALM PROJECT IS AN AMAZING RESOURCE!”

OUR MISSION

Palm Project is a county wide initiative that ensures every public-school care closet in Baldwin County is stocked with essential items, completely free of charge for both the school and its students.

"We are so appreciative of this organization. It is such a huge asset to our students and community!"

-Brittany Huertas, Daphne Middle School
